

CHECKLIST · SEPTEMBER 2026

Sydney PI (professional indemnity) - to-do

Next 90 days: Solicit claims managers who instruct. Also target Brokers to open the door.

Leads: 84. 18 instruct counsel now.

This week: APIG (Australasian Professional Indemnity Group) conference. Thursday 10 September, Wentworth.

Who pays: Claims managers. Brokers open the door; claims instruct.

Thursday

- APIG (Australasian Professional Indemnity Group) national conference, Sofitel Sydney Wentworth. The PI (professional indemnity) claims, underwriting and specialty-broker room.
- Call Cecelia Haddad - 0411 264 948 / cecelia@marketingelements.com.au - ticket, shared pass or dinner waitlist. Dinner sold out.
- Book follow-up coffees. No pitch from the floor.

Five moves

1. Claims people who instruct, not brand marketing

- First meetings: Eleanor Bunting and Georgina Dalley (DUAL), Ananya Tiwari (Arch), Sonja Schoenborn (HDI Specialty), Ross Whalebelly / Madlin Tzortzis / Gabrielle Malouf (Chubb), Alison Kerr and Stephanie Morrison (Liberty), Ilona Horvath (QBE), Gareth Edwards (Berkley), Julie Morgan (AXA XL), Chloe Thomas (ProRisk), Yasa Lovell (SURA), Tom Hatton (360).
- Berkshire Hathaway Specialty is building a new Sydney PI (professional indemnity) claims team in 2026. Panel not settled. Get in early.

2. MGAs (managing general agents) as the growth channel

- Priority desks: DUAL, SURA, Keystone, ProRisk, 360, MECON, High Street, Newline (Lloyd's 1218, new Sydney branch).
- Join UAC (Underwriting Agencies Council) as a business-services member. Exhibit at the next Sydney Market Exchange.

3. Brokers, before the writ arrives

- Ryan Neary (GSA Insurance Brokers), Brigid Allen and Dennis Dalati (Gallagher), Joe Hershewe (Bellrock), Wendy Ford and Julie Hamilton (Aon), Robert Krleski (Marsh), Sarah McPherson (WTW), Tank Insurance in Pymont.
- NIBA (National Insurance Brokers Association) NSW (New South Wales) committee brokers inside Steadfast, PSC (PSC Insurance Group), Howden and Lockton.

4. Construction PI (professional indemnity) after Pafburn

- Pitch dual capability: contract works / property damage and downstream professional defence.
- From July 2026, registered building practitioners in NSW (New South Wales) need 'adequate' PI (professional indemnity). Coverage disputes will follow.

5. Teach, then ask for files

- Host short CPD (continuing professional development): statutory duty of care for consultants; ACL (Australian Consumer Law) s 18 vs professional-services exclusions; s 50 peer-opinion defences; AFCA (Australian Financial Complaints Authority) submissions for financial advisers.

- Lawcover primary panel is closed. Chase excess / top-up. Allied health via ProRisk and Keystone, not Avant in-house.

Top ten

Score is 0-100: appoints defence counsel, volume of PI (professional indemnity) files, reachable from Sydney this quarter. MGAs (managing general agents) and financial-lines claims heads first; association staff last.
